Simply stated – I miss all of you! I miss conversations in the church hallway, hugs, and handshakes at the door after worship and the simple joy of seeing one another in worship, at meetings or at special church events. As I lead worship and preach each Sunday morning, I look into the camera at balcony level and try to imagine your faces as you join our worship by live stream.

November marks the beginning of the holiday season as we celebrate Thanksgiving with family and friends and begin the Advent season in preparation for Christmas. It will be a different season for all of us. Many of the customs and traditions we've grown accustomed to, the cherished rituals that have long identified our celebrations, will look and feel much different this year.

Yet one thing remains: We have each other. If we learned anything in this COVID-19 pandemic, it's the need we all have for community. It's hard to be a Christian in isolation because God created us to be in relationship, and he created the Church in such a way that we are a body of interdependent members who need each other. Yet in spite of not being able to be present with each other physically, COVID has also taught us that we are always united by faith as the Holy Spirit draws us together in a bond that is spiritual, in a union of hearts that cannot ever be severed, because it is held together by God's love.

I've been amazed at the stories of how you have been caring for each other in spite of the pandemic. That is indeed a wonderful testimony to the eternal truth that nothing can keep us from being the church! The Church is not a building. The Church is not a program. The Church is the people bound together in their love and devotion to Jesus Christ. It makes me proud to serve such a church.

As the seasons of Thanksgiving and Christmas draw near, remember to reach out to one another, to cherish each other, and to count being in community among your richest blessings! May God bless and keep each one of you in his love!

Grace and peace,

Pastor Lane *CC

During November each year, we typically mark three important events: the Festival of Christ the Chief Elder; Reign of Christ Sunday; and our annual Thanksgiving Lovefeast. And since it is November, we also know we will soon welcome the season of Advent by singing the “Hosanna” anthem and thus begin our celebration of the wonderful Advent and Christmas seasons. It is indeed **a very busy, and wonderful**, time of the year, although it WILL be different, unfortunately, due to the current pandemic.

There are four Sundays in November 2020. **Sunday, November 1**, is the **22nd Sunday after Pentecost**. It is also **All Saints’ Day**. On this day, we commemorate all the saints of the church, both known and unknown, which have attained heaven. The second Sunday in November, the **8th**, will be the day when we observe and celebrate the **Festival of Christ the Chief Elder**. We will share in the Sacrament of Holy Communion on that day.

November 15 is the **24th Sunday after Pentecost**. And on **November 22**, we will observe **Reign of Christ Sunday** and share in our **Thanksgiving Lovefeast**. Members are invited to choose lovefeast elements and enjoy in their own homes.

Last but not least, **Sunday, November 29**, will be the **First Sunday of Advent**. We will pray the traditional Advent liturgy and sing the “Hosanna” anthem. The first “Advent Afternoon” music program will be broadcast at 2:00 p.m.

We hope you will be able to take advantage of our November services and events. On Sunday mornings, join us for the live stream broadcast of the 11:00 a.m. service.

Maxims from Monsieur Paul: “Persevering through a Difficult Time”

Paul's Maxim for November 2020:

“Keep going!”

One evening in October 2011, I had the TV on when I heard the dreaded words, “We interrupt this program for a special bulletin....” Ever since the assassination of President John F. Kennedy in November 1963, such announcements have a way of stopping you in your tracks, and certainly this one got my attention. The bulletin announced the death of Apple Corporation founder Steve Jobs. The news was not particularly a surprise, given the extensive coverage of his multi-year battle with cancer. It was a shock nonetheless, due to his international reputation and especially his fierce determination to keep on living, far longer than the doctors expected.

The next day, many news channels replayed stories about him, including his notable 2005 speech at Stanford University's graduation when he said something like this: “Sometimes life hits you like a brick...don't lose faith.” Certainly, Jobs did not lose faith. In spite of having one of the most deadly cancers known, he kept on going; he kept on innovating, creating new things. He was “there”...meaning he was present. He was “life-focused,” trying to help people by creating new things that would make their lives easier and more enjoyable. He did not “fade away”: he showed up! He **“kept going”** right up until his very end.

You might ask, “What does all of this have to do with the month of November?” During this month at Calvary and elsewhere in the Moravian Church, we have two very significant occasions to celebrate: the Festival of Christ the Chief Elder (this year, November 8); and Reign of Christ Sunday (November 22). For Moravians, the Chief Elder Festival is particularly important. It was in 1741 when the head of the Moravian Church, Leonard Dober, determined that being the leader of a far-flung and ever-growing church was just too big of a job. At a meeting in London in September 1741, Dober and

fellow church leaders wondered if the Savior would be willing to be Chief Elder. The question was put to the lot, and the answer was “yes.” It was decided the celebration of this wonderful news would be November 13, 1741, to allow time for the news to reach all areas of the Unity. In our time of “instant news,” it's hard to imagine waiting for two months for news to get around. But this news for Moravians was **BIG**, just as big as the news of Kennedy's assassination, Jobs' death, or any other event that “stops us in our tracks.” The Moravian Church did not sit on its laurels when Dober gave up the Chief Eldership to the Savior. One of the most important missionary efforts in history **continued**, resulting today in a Moravian Church that is literally worldwide. And each of us continues to benefit from this.

We find ourselves weighed down from this year's pandemic, and based on current trends, we know it is going to get worse before it gets better. This health crisis has literally stopped us in our tracks. This is no time to sit on our hands or become complacent. It is time for us to “pull ourselves up by our own bootstraps,” get going, and keep moving. We need to **persevere!** While continuing to exercise all the proper recommended precautions against the virus, we need to be **active**....active in continuing to reach out to others, to share the love of Christ. Our responsibilities as Christians and Moravians do not go away during difficult times.

I mentioned one other important event this month. On November 22, we will observe and celebrate Reign of Christ Sunday. On this day, we acknowledge Jesus Christ as our Lord and Savior and our King “*who came in quietness and humility, but who will come again with power and for all to see.*” Let us remember that as our Savior came with power, we too have the power to help and minister to others. Like Leonard Dober, like Steve Jobs, and most importantly, like our Savior, let us **“keep going!”** *CC

Calvary Advent and Christmas 2020

The letter below was sent to Calvary's current email list on September 23.

In light of the COVID-19 pandemic, the Joint Board recently approved an exciting and creative plan for celebrating the Advent and Christmas season.

As you know, we have continued to follow the guidance of our Provincial Elders' Conference and our state government in making decisions regarding the resumption of "in-person" worship. As we hopefully continue in Phase 3 in the coming weeks, the Joint Board will again consider "in person" worship opportunities. Our goal is to act responsibly and to carefully safeguard the health and well-being of the Calvary congregation.

That being said, our Advent and Christmas services have been planned so they can be used with an in-person or live stream audience. However, the Joint Board decided that two of these services, **Sunday, December 13**, and **Christmas Eve, December 24**, will need to be pre-recorded or live streamed with no in-person participation.

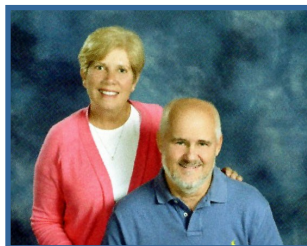

The Christmas Eve Lovefeast and Candle service will be recorded ahead of time and made available to you for viewing anytime on Christmas Eve via YouTube and Facebook. We are working on plans now for the possible distribution of candles for you to use in your homes when you join us for this virtual Christmas celebration. More details will follow in the coming weeks.

Though we realize that this news will be disappointing, we believe it is necessary to safeguard the health and well-being of our congregation and the wider community who shares this celebration with us each year.

Member Achievements

We are proud of ALL of our Calvary members, many of whom continue to be involved in important projects for the congregation, the Moravian Church Southern Province, and the wider Winston-Salem community. This month, we highlight three of our members for their recent accomplishments.

Sister Linda Seippel recently received the **Lifetime Achievement Award** from the Board of Directors of Laurel Ridge, our Moravian Camp and Conference Center. For over three decades, she has served Laurel Ridge as a counselor, friend, and supporter. She has made a vital spiritual investment in the lives of countless children and youth who have benefited from her counsel and leadership. **Congratulations, Linda!** (Pictured above, Linda and Bill Seippel).

Sister Adrienne Polychron (pictured below) recently was named a **Moravian Star** honoree. She has been a volunteer at **City With Dwellings** for the past five years. Not only does she assist with the CWD winter overflow shelters, she is at their Community First Center on Tuesday, Wednesday, and Thursday mornings. CWD arranged hotel rooms for high-risk homeless individuals during the pandemic. Adrienne, along with others, collected books, puzzles, snacks, games, and other activities to help these individuals, who could not leave their quarters, pass the time and keep busy. **Congratulations, Adrienne!**

Calvary recently received an award from the **Shepherd's Center** of Winston-Salem for its contributions to the Center for many years. **Sisters Donna Cheek and Adrienne Polychron** (pictured at left) recently accepted an award of recognition from the Center. **Congratulations, Donna and Adrienne!** ★CC

Calvary Advent and Christmas 2020

(Continued from page 5)

These decisions were not easy to make but we are working diligently to help our congregation celebrate in new and exciting ways despite the COVID-19 virus. Your understanding, patience, and support is greatly appreciated.

Realizing that so many things have been

cancelled this year due to the pandemic, part of our plan also includes an exciting **Advent Afternoons Concert Series** (see details here at right). This series of musical offer-

ings will be offered each afternoon of the Advent season beginning Sunday, November 29. We are so excited to collaborate with some of our established partners, enabling us to offer these additional opportunities to help you and your family celebrate this glorious season of Jesus' birth!

COVID-19 has taught us many important lessons about the value of faith and our need for one another. Perhaps this year, it will teach us that the news of Christ's birth can penetrate our hearts with renewed joy even though some of the ways we normally celebrate will be altered. As your pastor, my earnest prayer is this experience will help us appreciate even more the wonder of God's love for each of us made flesh in Jesus Christ!

If you have questions or concerns, please feel to contact the pastors or any member of the Joint Board. *CC

With hope, Pastor Lane

"Advent Afternoons" Sundays, Nov. 29-Dec. 20

This Advent and Christmas season will, as with everything else, look and feel a little different. One of the most noticeable differences is how we are (and are not) able to make music during these days. So, while we might not be able to sing together as a choir at this time, play together as a band, and while some of our partnerships are on hiatus while we make our way through this pandemic, we are still working together creatively to bring music to our Calvary family and our community.

In keeping with our vision and the work with our partnerships, we have created an **Advent Afternoon** music series for the four Sundays of Advent. Each Advent Sunday afternoon at 2:00 p.m. we will have a **live stream** musical offering partnering with a different organization each week. The schedule is as follows:

Advent 1 - Nov. 29: An Acoustic Christmas

Join Reverends Chaz Snider and Zach Dease as well as Spencer Bullins and Greg Biggam for a wonderful hour of acoustic sounds of the season.

Advent 2 - Dec. 6: A Classical Christmas

This joint venture with Calvary Moravian and Piedmont Opera will provide a wonderful concert experience with both classical and contemporary favorites.

Advent 3 - Dec. 13: A Nutcracker Christmas

Since this is Pageant Sunday, we'll also have a childlike afternoon with 5 student artists from UNCSA (led by our own Grace Manning) narrating the famous story of the Nutcracker for kids. There will also be fun and easy crafts you can make while you listen and enjoy!

Advent 4 - Dec. 20: A Moravian Christmas

Our final afternoon will see Calvary Moravian partnering with the Moravian Music Foundation for a brass, organ, and ensemble performance of some of our very favorite Moravian Christmas tunes.

Nursery Project

As we near 2021 and have hopes of coming through this pandemic sooner rather than later, we are looking forward to the needs of our youngest members. Our nursery and early childhood classrooms have needed a bit of a facelift for a long time now. But, now it is even more imperative that we make some changes in our children's areas to keep them all safe and healthy. We are taking up the carpet and putting down vinyl flooring, painting trim and a few walls, updating the sinks, countertops, and cabinets in both of the larger classrooms, and going through all the items that are currently in each room - cleaning, making sure we have what we need and getting rid of items that are rarely used.

It is our hope that this update will make it much easier to keep clean in the future and give our children the spaces they need to learn and play. We are blessed to have a few of our trustees heading up this project, as well as some men from the Men's Fellowship helping with the work. But, we can always use more help! If you've some time to dedicate (men and women!) please contact Ron Bell:
